Re: *Complaint of XO Tennessee, Inc. Against BellSouth Telecommunications, Inc.*
Complaint of Access Integrated Networks, Inc. Against BellSouth Telecommunications, Inc.

Docket No. 01-00868

Dear Chairman Kyle:

As indicated in their filings dated today, both the Petitioners in this matter and the Consumer Advocate Division of the Attorney General's Office have requested oral argument related to the Petition to Reconsider. BellSouth does not object to presentation of oral argument on this motion.

Counsel for all parties have agreed to request that the Authority reschedule consideration of this matter until the next regularly scheduled Authority Agenda Conference, in order to permit additional time for all parties to prepare for argument. Accordingly, the parties request that this matter be removed from the August 19, 2002 Conference Agenda and rescheduled to the next regularly scheduled Conference.

Cordially,

Joelle Phillips
